Dear Parents and Carers

GEOGRAPHY EDEN PROJECT

I am pleased to inform you that the Geography Department is running a new trip offering students the chance to visit the Eden Project in Cornwall from 18 November to 19 November 2016. This trip is designed to complement and extend their class studies on ecosystems, giving students a chance to take part in some exciting activities investigating the adaptations of the flora within the biomes as well as the sustainability measures used within the Eden project site.

Students will leave Bohunt at 11am on Friday 18 November, spend one night in the Eden Project Youth Hostel and return on Saturday 19 November at approximately 7pm.

The cost of the trip is £63 including travel, accommodation and meals from the evening of the 18th- lunch on the 19th. A packed lunch is required for the Friday and some money for snacks on the return journey on the Saturday.

In order for your son/daughter to participate in the activity please return the slip below by Wednesday 25 May. **Please do not send any payment at this stage.** You will then be contacted by our finance department shortly after the deadline date and asked to make the payment online. If your child receives FSM, please indicate this on the reply slip, as funding will be available. If your child no longer wishes to take up the place please contact the school promptly so we are able to offer it to other students.

We are able to take 80 students on this trip. If we receive more applications than this we will do a draw to allocate places. A reserve list will be kept in case additional spaces become available.

Apart from school uniform, the school's code of conduct applies and the highest standards of behaviour are expected and required.

Yours faithfully

N Thomson
Head of Geography
