

May 2018

Dear Headteacher,

We would very much like to invite you and your pupils to attend one of our forthcoming 2018 Year 5 Taster Days.

**Friday 29 June**

**Wednesday 4 July**

**Thursday 12 July**

**Bohunt Year 5 Taster Days allow pupils to experience a diverse range of activities and the opportunity to try something new in a 'big school' environment.**

**Come and join us for a cross curricular experience that is both fun and inspiring!**

*"I love it and cannot wait to go here"*  
*"Languages are quite hard but the lesson made me better"*  
*"I was nervous but not much anymore"*  
 (Mentors) *"Helpful very very nice, kind cheerful and happy"*  
*"Really fun and I can't wait to join"*

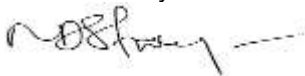

Previous events have shown us unequivocally that primary school pupils who attend a Bohunt Taster Day come away enthused and eager to make the step up to secondary school. These theme days are designed to complement your transition process, no matter which school your pupils ultimately attend. There is also the additional benefit of your accompanying staff gaining valuable insight into the next stage of your learner's educational pathway.

Part of the day will include various performances by Bohunt students but this year we wanted to give your students the opportunity to perform. If you want to put forward strong performers for this please contact Ali Blair-Fish via email: [aliblair@bohunt.hants.sch.uk](mailto:aliblair@bohunt.hants.sch.uk) with the date you are attending, the name(s) of the performers and what they will be performing, and any equipment requirements. These will be dependent on logistics and time but we will endeavour to accommodate as best we can.

There is no cost to you to attend any of the days and we are happy to provide lunch for your staff and free transport to and from your school for your pupils. We do ask that at least one adult attend the day with your student (this doesn't have to be a member of teaching staff).

Please complete and return the form below indicating which day you would like to attend to Bohunt School for the attention of Lauren Rushmere or via email: [lrushmere@bohunt.hants.sch.uk](mailto:lrushmere@bohunt.hants.sch.uk) by Friday 25 May 2018.

Yours sincerely

Headteacher
