35 hours per week - 39 weeks (term time only)

Do you have a practical background or interest in Design & Technology & STEM?

Bohunt School in Liphook is seeking to appoint D&T/STEM Technician; experience is preferable but not essential.

Key Features of the job

The role mainly involves assisting the smooth operation of the Design and Technology/STEM Department, ensuring that equipment is functioning properly and is ready to use, and that the right materials are available for particular lessons. Sometimes technician may be expected to work closely with students to explain or demonstrate practical techniques on how to use equipment, as well as helping teachers with a class and supporting individual students on projects.

Some of the typical work activities are as follows:

- Maintaining equipment, ensuring equipment and rooms complies with H&S requirements and is fit for purpose
- Preparation of materials for classes
- Help subject leader to monitor the Department Budget
- Support and supervise individual pupils
- Assist teachers when needed

The School is located in attractive, open country on the edge of Liphook (40 miles from London) with easy access to the A3 between Guildford and Portsmouth.
