

## Dear Parents/Carers and Students

A belated welcome back. We trust that you had a good summer break despite the variable weather. It has been a busy start to the term with last Thursday's Open Evening being a highlight. It was fantastic to see so many existing students showcasing their amazing talent and acting as superb ambassadors for the school.

## Bohunt Sixth Form opens

We are delighted that many of our most successful Year 11 students from last year have started their A level studies in our new Sixth Form. Induction week included a twitter mystery to solve in Portsmouth as well as introductory sessions in their subjects.

## Bohunt Sixth Form Open Evening 4th October 6.30-8.30pm

All students and parents/carers are welcome, especially Years 10 and 11. Meet subject leaders for each of our 26 A level subjects. Talk to our first ever students and explore our fantastic facilities.

## Model United Nations – Monday lunchtimes C8

Our hugely popular Model United Nations is on every Monday lunchtime in C8. It runs across the split lunch (from 12.45-13.45), and students can attend the whole session. Students on Tutor Time 1 should see their tutor at the start of registration at 12.40, and then come straight to MUN for the 12.45 start. Student on Tutor Time 2 should arrive for the start at 12.45 and then leave MUN at 13.40, in time to register with their tutor before the start of Period 5. Students should bring their lunch to MUN. Do come along and give it a try, even if you don't know anything about politics – it is a very friendly club and you are guaranteed a warm welcome!

Any questions contact Ms Hammal on [rhammal@bohunt.hants.sch.uk](mailto:rhammal@bohunt.hants.sch.uk)

## George Hopwood of 10T receives MDL Marinas Sail Training Award for 'Outstanding Achievement'

George was recognized for his inspirational outlook in life, his attitude towards school work and commitments to the RAF Cadets. As a reward George participated in a sailing voyage on board 'Prolific', an Ocean Youth Sail training yacht. He was involved in all aspects of life on board, including hoisting sails, helping with maintenance, sailing the boat at night not forgetting the cooking and cleaning with the rest of the crew. George sailed from Southampton and navigated around the south coastal waters back in April, embracing the challenges that come with sailing. George and guests were invited to the Southampton Boat show this week to be presented with a trophy at the Award ceremony.

## Youth links in the community

We are proud of our links with the school community and encourage our young people to get involved in the extra-curricular activities on offer here in school and in the wider community. All Bohunt students will receive a YouthLink directory via the school, which is packed full of exciting opportunities for you to discuss with your child at home. If you would like to learn more about these opportunities, please read the [details on the local website](#).

## SEND Clinic

If you wish to make an appointment to discuss any SEND matter or concern, please contact Mr Tanner directly at [tanner@bohunt.hants.sch.uk](mailto:tanner@bohunt.hants.sch.uk) to book an appointment at our SEND clinic. This will be held on Tuesday 17<sup>th</sup> October, from 17:00 until 20:00. Appointments will be 20 minutes each.

## Travel to and from school

The vast majority of our students display the excellent standards of behaviour and exemplary attitude expected of them outside of school and are an absolute credit to the school. Please remind your child that on their travels to and from school they are representing Bohunt School and these same high standards apply.

Carol Concert	Wednesday 13 December
School Closes for Christmas at 12.40pm	Thursday 21 December
School re-opens	Monday 8 January

# Emotional Health and Well Being

## Back to school!

At the crisp, fresh start of a new academic year, it is important to ensure that students have a routine in place to help them manage their workload and school routine.

Here are some top tips for getting a routine in place and ensuring your child remains motivated to maintain it:

### Set goals

Reflect on the previous year and set some goals for this year. What does your child want to achieve? It is always better to have something to aim for and celebrate at home each half term!

### Encourage responsibility

Your child will need to manage their own time effectively when completing homework. Their planners are the source of what homework is due in when, and it may be an idea to create a wall planner or whiteboard so that they can plan their time at home effectively. This could be linked to a rewards system as appropriate that you put in place at home.

### Breakfast

Everyone knows it is the most important meal of the day! Without breakfast, children cannot access their learning as effectively in the morning. They need the energy!

### Electronics

It is important that devices are switched off well before bedtime. If your child is tempted to remain on their device when in bed, it may be an idea to ensure their room is free of devices overnight to allow them the best possible change of a good night's sleep.

## Year 9, 10 & 11 Co-Curricular Activities 2017 - 2018

### Monday

	CLUB NAME	CLUB TEACHER	FACULTY	START DATE	ROOM	ADDITIONAL INFORMATION
