IT Technician

Salary: Grade C starting at £17,335

37 hours per week, 52 weeks per year

We require an extremely ambitious and self-motivated individual to join our network team as an IT technician.

Working as part of the IT team, you will undertake a wide range of tasks. Including, but are not limited to: help maintaining the IT infrastructure and delivering effective service, support and solutions to staff and students of Bohunt School, and to other schools supported by the Trust.

As an integral and highly valued part of the School you will be customer-centric, proactive and, where necessary, re-active, in order to support the continuous and smooth running of the IT systems within the School. You will be competent in diagnosing and resolving issues and have the ability to work on your own initiative. You will add value by your methodical yet creative approach to problem-solving, task prioritisation as well as a calm and diplomatic approach to situations.

You will be required to set-up IT/AVA facilities for assemblies, exams and other occasions as needed, so a flexible and positive can-do approach towards all school staff and students is essential.

Working knowledge and experience of network systems/fundamentals, trends and server administration is required and IT experience in the Education sector would be advantageous.

Visits to the school are welcome please contact Sarah Stafrace on 01428 725900 or by email: sstafrace@bohunt.hants.sch.uk

For further details on how to apply please visit our website or email recruitment@bohunt.hants.sch.uk

Bohunt School is committed to safeguarding and promoting the welfare of children, and young people, and expects all staff and volunteers to share this commitment. DBS Disclosure at Enhanced level will be required prior to any offer of employment.
